

**Celebrating a 25 Year
Anniversary**

**VENUE PLAYBOOK
FOR COVID-19
MANAGEMENT**

**August 2020
EDITION 1.0**

For over 25 years Petrina's has been a host location for CPA teams. We hope to continue to do so well into the future. We have always strived to present the best playing conditions for players when they visit our venue. Due to the Covid-19 Pandemic we have had to adjust some of the rules and procedures for team play to comply with regional and provincial health edicts, but our efforts are always focussed on providing a safe, comfortable and fun environment for our patrons and staff. Enjoy your visit to our location and rest assured your interests and concerns are also ours.

We feel that the league players, the league operator and ourselves are in partnership and therefore all must be comfortable, or the partnership fails.

Some of the rules of play are different but they are necessary. In following regional and provincial health edicts we are trying to maintain a safe environment for all. Please be flexible in your attitudes and critical of the league or any venue for asking you to follow the rules.

Let us work together to make this league successful but more importantly fun for all.

Frank

COVID-19

Do you have any of the following:

Fever

Cough

Difficulty breathing

Sore throat,
trouble swallowing

Runny nose

Loss of taste
or smell

Not feeling well

Nausea, vomiting,
diarrhea

Have you been in close contact with someone who is sick or has confirmed COVID-19 in the past 14 days?

Have you returned from travel outside Canada in the past 14 days?

If you answered YES to any of these questions, go home and self-isolate right away. Call Telehealth or your health care provider to be assessed.

CONTACT TRACING

For the purposes of mitigating our breaks of the virus province-wide we must collect contact information for all individuals entering our facility. We have both an electronic filing system and paper system. Your information is confidential and destroyed every 30 days. Please make sure you check-in at bar on night of play.

SOCIAL BUBBLE/CIRCLE

A social bubble/circle is an agreement between 10 or fewer people to work together to contain infection. They respect each others intent to social distance, wear masks and avoid potential infection by practising proper hygiene.

Here is how to create your social circle:

Step 1: Start with your current circle. These include the people you live with or who regularly come into your household.

Step 2: If your current circle is under 10 people, you can add members to your circle, including another household, family members or friends.

Step 3: Get agreement from everyone that they will join the circle.

Step 4: Keep your social circle safe. Maintain physical distancing with anyone outside of your circle.

Step 5: Be true to your circle. No one should be part of more than one circle.

The government said that restricting close contact to family or social circle helps keep the number of contacts low in the event a member of the circle becomes infected with COVID-19.

The government said that while physical distancing does not need to be practiced between members of the same circle, other public health advice like frequent hand washing should be followed.

Therefore, in league play YOU ARE NOT in your social bubble unless everyone in your team is your household or you have created a social bubble.

MASK USAGE

As per the requirements of the Durham Region Department of Health and the Provincial Ministry of Health masks are mandatory for mass gatherings. **LEAGUE PLAY IS A MASS GATHERING.**

Players will wear a mask while at table (**Above the nose at all time**)

If they are seated watching their opponent, they may remove momentarily for purposes of drink or food consumption. Once standing they must replace mask.

If leaving the table area, they must wear their mask.

While seated with their team players must wear their mask except when eating or drinking. They must put mask on when standing or moving to bathrooms or playing area.

ZERO TOLERANCE FOR TRANSGRESSIONS

Exceptions:

A person is exempt from wearing a non-medical mask or face covering on the premises if:

- The person is a child under the age of two years; or a child under the age of five years either chronologically or developmentally and he or she refuses to wear a face covering and cannot be persuaded to do so by their caregiver;
- The person is unable to remove their mask without assistance;
- Wearing a non-medical mask or face covering would inhibit the person's ability to breathe in any way;
- For any other medical reason, the person cannot safely wear a non-medical mask or face covering such as, but not limited to, respiratory disease, cognitive difficulties or difficulties in hearing or processing information;
- For any religious reason the person cannot wear a non-medical mask or face covering, or cannot cover the face in a manner that would properly control the source.

Note: A person means any customer, patron, employee or visitor, who enters the premises

Does a person have to show proof of their exemption?

No, a person does not have to show proof of their exemption. There is no need for an exemption card, or a letter from a physician.

SANITATION/DISINFECTION

All equipment is sanitized and disinfected after each patron visit so when you approach the table be assured it is ready for play.

We utilize government approved disinfectant to wipe down all cues, cue racks, ball trays, pool rails, house cues and cue rests.

We use UV-C light to sanitize balls and chalk.

Staff are instructed to disinfect common contact surfaces as frequently as possible.

On league night we will also have hand sanitizers in playing area as well as provide disinfectant spray if you wish to clean surfaces yourself

Please DO NOT spray the pool balls or pool cloth

HAND SANITIZER

We have installed hand sanitizer dispensers at bottom of stairs, top of stairs and by bathroom entrances. Our foam soap dispensers in bathroom are filled with antibacterial soap. In partnership with CINTAS CANADA we are providing the right chemicals required to keep your environment clean and safe.

TEAM SEATING AREA

For the purposes of league play teams will be pre-designated table assignments and seating area. Only the players playing can be in playing area.

The seating area is yours and only yours. You must wear your mask even when seated unless you are alone. The exception is when eating or drinking. You may remove your mask to eat or drink only. This is a Health Department Guidance

NO STANDING AT BAR EXCEPT TO ORDER

NO STANDING TO WATCH A MATCH IN MATCH AREA

Petrina's will try and stream all match tables so that you can follow along online

www.petrinas.com or on our FB PAGE <https://www.facebook.com/petrinasbilliards/>

MATCH PLAY AREAS

For the purposes of league play only the two players in the match will be in the designated match play area. All other players must be in their designated Team Seating Area.

Obviously, players should score matches themselves. Players needing time-outs should put their mask on and call over their designated time-out giver.

HANDLING OF BALL SUGGESTIONS

RACKING

We suggest only one person does all the racking. With their opponent having the right to ask for a re-rack. We will provide a second cue-ball so that players can have their own for purposes of ball-in-hand violations.

END OF MATCH PROCEDURE

At the end of the match return balls in tray to bartender who will switch out for a sanitized/disinfected set.

Players should wipe the cue rest, the triangle and table rails with disinfectant provided.

Respect the incoming players.
